POWDERED TOAST COMMERCIAL (VER. 1 RETURNED FOR REVISIONS)

p. 22 Standards and practices objects to the kids catching on fire. Can we just exaggerate the G-force distortions instead?

CONTEST WINNER SECRET MEMBERSHIP (VER. 1 RETURNED FOR REVISIONS)

p. 12 First panel.. The suggestion that the girl might be getting electrocuted has to go. Either lose this close up, or frame it in such a way that we see she isn't strapped into a chair.

p. 12 Second panel. Need to change the death penalty for club members who reveal the secret. Anything but death.

LAIR OF THE LUMMOX ADDITIONS (VER. 1 RETURNED FOR REVISIONS)

"At the Lair"

Additions 2 and 3 are approved without changes. Addition 1 was not so lucky. Let's leave it the way it is or come up with a gag that doesn't involve seeing the LummoX' butt.

"Courting Ritual"

Approved.

"The Fight"

We all agree that this episode is a festival of grossness, a celebration of sloth, etc. Even so, there's some stuff that isn't going to make the standards and practices cut. They are, the burping contest and the all new grand finale. You can go with the first part of the finale -- the nostril joke -- but let's discuss alternatives for the topper.

Finally, a correction note that isn't going to make you happy. Upon reviewing the boards for this episode, Vanessa has decided to revoke her approval of the underwear sniffing and ~~cutting gag~~. She seemed pretty resolved about it. If you want to talk about alternatives or just want to complain, call me anytime.

Let's have a talk anyway sometime next week.
